DESTINATIONS

COLOMBO

Although it's unlikely it will reclaim its 19th-century moniker 'the garden city of the East', Colombo has nevertheless emerged as a must-see stop in Sri Lanka. No longer just the sprawling city you have to endure on your way to the beaches, it has become a worthy destination in its own right and makes an excellent start – or finish – to your Sri Lankan adventures.

ELLA

Welcome to everyone's favorite hill-country village, and the place to ease off the travel accelerator with a few leisurely days resting in your choice of some of the country's best guesthouses. The views through Ella Gap are stunning, and on a clear night you can even spy the subtle glow of the Great Basses lighthouse on Sri Lanka's south coast. Don't be too laid-back though; definitely make time for easygoing walks through tea plantations to temples, waterfalls and viewpoints. After building up a hiking-inspired appetite, look forward to Sri Lanka's best home-cooked food and a reviving cuppa.

SIGIRIYA

Rising dramatically from the central plains, the enigmatic rocky outcrop of Sigiriya is perhaps Sri Lanka's single most dramatic sight. Near-vertical walls soar to a flat-topped summit that contains the ruins of an ancient civilisation, thought to be once the epicentre of the short-lived kingdom of Kassapa, and there are spellbinding vistas across mist-wrapped forests in the early morning.

HIKKADUWA

Hikkaduwa is a seaside resort town in south-western Sri Lanka. It's known for its strong surf and beaches, including palm-dotted Hikkaduwa Beach, lined with restaurants and bars. The shallow waters opposite Hikkaduwa Beach shelter the Hikkaduwa National Park, which is a coral sanctuary and home to marine turtles and exotic fish. Inland, Gangarama Maha Vihara is a Buddhist temple decorated with hand-painted murals.

GALLE

Galle is a jewel. A Unesco World Heritage Site, this historic city is a delight to explore on foot, an endlessly exotic old trading port blessed with imposing Dutch-colonial buildings, ancient mosques and churches, grand mansions and museums. Wandering its rambling lanes you'll pass stylish cafes, quirky boutiques and impeccably restored hotels owned by local and foreign artists, writers, photographers and designers.

TRINCOMALEE

Trincomalee (Trinco) sits on one of the world's finest natural harbours. This historic city is old almost beyond reckoning: it's possibly the site of historic Gokana in the Mahavamsa (Great Chronicle), and its Shiva temple the site of Trikuta Hill in the Hindu text Vayu Purana. Most people just pass through the city on their way to the nearby beaches of Uppuveli and Nilaveli, but the town has some charm, plenty of history and an interesting melange of people.
